## House of Representatives

### PROVIDING FOR FURTHER CONSIDERATION OF H.R. 5376, BUILD BACK BETTER ACT—Continued

Mr. MCGOVERN. Madam Speaker, I yield myself the balance of my time.

Madam Speaker, I get it. Republicans are never going to support this bill. Maybe they don't want to see healthcare coverage expanded, or maybe they don't want to see insulin costs capped, or maybe they don't want to see education costs lowered or families given a tax break or workers given paid family and medical leave.

Maybe they will just never support anything President Biden likes. I don't know. I have given up trying to get into the heads of Republicans long ago.

But I do know this. Tonight, we have a chance to advance a historic bill that would truly change people's lives for the better.

This is why I ran for Congress. This is why so many of my colleagues on the Democratic side ran for Congress, not to help people just a little bit, not to solve only a few of the problems that they face, but to truly take their challenges head-on. This bill does that.

I have a sneaking suspicion that despite all the doom and gloom from Republicans today, they will be proven just as wrong here as they were when they objected to the Affordable Care Act nearly a decade ago.

Build Back Better meets this moment. By passing this rule and advancing this legislation, this Congress will, too.

The text of the material previously referred to by Mr. RESCHENTHALER is as follows:

#### AMENDMENT TO HOUSE RESOLUTION 803

At the end of the resolution, add the following:

SEC. 2. Notwithstanding any other provision of this resolution, the further amendment printed in section 3 shall be in order after debate pursuant to the first section of House Resolution 774 if offered by Represent-

ative Jordan of Ohio or a designee. That amendment shall be considered as read. All points of order against that amendment are waived. The previous question shall be considered as ordered on that amendment without intervening motion except 10 minutes of debate equally divided and controlled by the proponent and an opponent.

SEC. 3. The further amendment referred to in section 2 is as follows:

Strike title VI (and redesignate succeeding titles accordingly).

Mr. MCGOVERN. Madam Speaker, I yield back the balance of my time, and I move the previous question on the resolution.

The SPEAKER pro tempore. The question is on ordering the previous question.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mr. RESCHENTHALER. Madam Speaker, on that I demand the yeas and nays.

The SPEAKER pro tempore. Pursuant to section 3(s) of House Resolution 8, the yeas and nays are ordered.

The vote was taken by electronic device, and there were—yeas 220, nays 210, not voting 3, as follows:

The SPEAKER pro tempore. The gentleman from Massachusetts (Mr. NEAL) has 9 minutes remaining. The gentleman from Texas (Mr. BRADY) has 11 minutes remaining.

The Chair recognizes the gentleman from Massachusetts.

Mr. NEAL. Mr. Speaker, I am pleased to yield 1 minute to the gentleman from Maryland (Mr. HOYER), the majority leader and a real champion of this institution.

Mr. HOYER. Mr. Speaker, it is November 18, 2021. Those of us who serve in the Congress of the United States on this date will be able to tell our children and our children's children that we were there when the United States Congress passed one of the most transformational bills in the history of the Congress for the people.

Tonight, House Democrats will vote on the Build Back Better Act as will House Republicans, legislation to transform our country by making opportunities available and equitable for all Americans.

Its name, of course, refers to the broad recognition that too many Americans are just barely getting by in our economy, and we simply cannot go back to the way things were before the pandemic.

We have to ensure our people can access the tools and resources they need, not just to survive, but to succeed.
